WENDY LAWSON, M.S. CCC-SLP
Wendy Lawson will share her wealth of experience as a medical-based SLP. She will present 5 hours of CEU materials in two sessions. The first session (2 hours), Introduction to Tracheostomies, is ideal for students, recent graduates, and SLPs coming into medical-based practice. The second session (3 hours), Advanced Tracheostomies and Ventilators, is given with the experienced clinician in mind.

WENDY STACY, M.S., CCC-SLP, CALT, QI, LDT
Wendy Stacy is an ASHA certified speech-language pathologist, ALTA certified academic language therapist, ALTA certified qualified instructor, and a licensed dyslexia therapist in Texas. Wendy is the Director and Lead Dyslexia Therapist for the ReadWrite Center in OKC, OK. She provides trainings for classroom teachers and therapists in multisensory language-based classroom and academic language therapy curricula throughout Oklahoma, Texas, and Kansas. Wendy will present up to 6 hours of CEU materials in two sessions: The 5 W's of Dyslexia and An Introduction to the Educational Assessment and Treatment of Dyslexia.

ROBERT SWEETOW, PH.D.
Dr. Robert Sweetow is Professor in the Department of Otolaryngology at the University of California, San Francisco and the former Director of Audiology at UCSF. Dr. Sweetow has written more than 25 textbook chapters and over 120 scientific articles on counseling, tinnitus, auditory training, and amplification. Dr. Sweetow was the recipient of the prestigious 2008 Distinguished Achievement Award from the American Academy of Audiology. Dr. Sweetow will present 6 hours of CEU materials in two sessions: Clinical Management of the Tinnitus Patient and Auditory Training and Challenges Associated with Participation and Compliance.

DAVID HAMMER, M.A., CCC-SLP
Dave Hammer is the Director of Professional Development and Speech Services for the Childhood Apraxia of Speech Association of North America (CASANA). Prior to this position, Dave had 35 years of pediatric clinical experience at Children’s Hospital of Pittsburgh, PA with specialty interests in childhood apraxia of speech and speech sound disorders. Dave is known for his practical and therapy-rich presentations. He will present up to 6 hours of CEU materials in this presentation: Childhood Apraxia of Speech: A Multi-Sensory Approach to Achieving Speech Outcomes.

Committees at Work
Each year the OSHA Board and the Committees volunteer their time and efforts to champion our professions.

Your feedback on this conference and on the work OSHA volunteers perform on your behalf is important to NAVIGATING THE FUTURE! Please give us your feedback. Please VOLUNTEER!
